Golfer with One Arm Plays Well

Even though he failed to keep m with the lenders, Louis Martucci, th one-armed player from the Essex County Country Club, gave a practical illustration of what may be accomplished, even when so severely handlcapped, in the Metropolitan open cham-pionship fournament at Fox IIIIIs res-terday. His rounds of 80 and 82 were better than those of many others.

As Martucci bit a fine 200-yard ball

from the first tee the gallery gave him a liberal round of applause.
"I can't understand how he manages

irons," remarked a bystander, Marwrist enable him to tear a ball away from a bad lie as effectively as the average golfer does in the usual way.

RESOLUTE AND VANITIE CLASH

Strong Breeze Looked For

The New York Yacht Club's races for the Glen Cove cups are to be sailed to-morrow, starting at 1 o clock off Mott's Point. The Resolute and the Vanitie will sail in these races, starting at 1:10 on a two-minute handicap start. For the other classes it will be a one-gun str

An important long-distance race, which starts to-moreow, will be that of the New Rochelle Yacht Club from Hicks Ledge Buoy, off New Rochelle, to Stratford Shoal lighthouse and return, a distance of fixty-five nautical miles. In this race dingles and sailing lights must be cerried. There are no restrictions as to crew.

Ballade of the Biggest Bug. Speaking of Bugs-of the Human Brand-There are many assortments-as we know; Each is a Bug-I should say, off-hand, In certain instances high or low; I once thought the Ranter on Rooter's Row Was the buggiest Bug I had ever met; But I've found of late that it isn't so-The War Talk Bug is the worst Bug yet.

To help those failing to understand What the term "Bug" means, we add below The definition-by Webster banned-"The Bug is a brainstorm on the blow-A Daffy Nut with a fit to throw-A Comical Conk with space to let"-And grab it from me, or leave it, Bo, The War Talk Bug is the worst Bug yet.

We've hu ted the limits of this wide land, From county to county, to and fro; Bug Emporiums we have scanned, But the Crazy Joints haven't got a show;

But the Cray Joints haven't got a show;
Backed to the dump they are all ton slow
Wen't gets right down to the Booby Set;
The Nuty Partalion may come and go—
The War Telk Bug is the worst Bug yet.

Line them up in a Serambled Row—
Filberts out on a Frenzied Fret—
Them go to the post and bet year dough

Adamant—Plus What?

We have frequently wondered just what Johnny Evers's nerves were componed to the highest possible tension. White the worst with the worst wi

How he has been able to work with his nerves at such eternal tension and still retain sufficient nerve control to bat and field with such effect is beyond us. There isn't any answer. It is just one of those things.

Nerve Serene.

Evers and Cobb, high strung, nervous, inclined to be excitable at any nament this year. moment, are exceptions to the rule of sporting success. Mathewson, Johnson, AGAIN TO-DAY Alexander, Wagner, Lajoie, Speaker, Jackson, Crawford are all athletes of

In tennis McLoughlin, Williams and Church—the leading three-are serene in their nervous systems, and so are Ouimet, Travers and Travis in golf. These in Fourth Race Between are all more or less inclined to take the breaks as they come without a tremor. Cup Defence Yachts. Whereas Eyers and Cobb are not being under perpetual steam.
